

Amendments to the Drawings:

The attached sheet of drawings includes changes to drawing sheets 3, 6 and 7. Figures 3, 8, 9, 10 and 11 have been amended. The amended drawing sheets replace the previously filed sheets 3, 6 and 7.

Figure 3 has been amended by added reference numeral 133 identifying a suspension.

Figures 8, 9, 10 and 11 have been amended to changing a reference number 234 identifying a front surface to reference numeral 241. Arms 234 are still identified by that reference numeral.

Figure 11 has been amended by changing a reference numeral 240 identifying a locking plate to reference numeral 232. A mount 240 is still identified by that reference numeral.

Annotated Sheet Showing Changes

Remarks / Arguments

The amendments described above leave 19 claims pending in this application, including one independent claim.

The Applicant elects to proceed with the invention corresponding to claim Group 1, as identified by the Examiner in the Office Action, with traverse. The Applicant has withdrawn the claims of the other groups.

The Applicant has amended claim 1. The Applicant has also added new claims 19 to 34, each of which identifies additional features of the present invention.

The Applicant has taken this opportunity to correct typographical errors through the description and to make the description consistent with reference numerals in the drawings. These amendments are self explanatory.

Conclusion

If the Examiner has any further concerns regarding the claims or the amendments made herein, the Examiner is respectfully requested to contact the undersigned at 416-957-1630.

Respectfully submitted,
Welker et al.
